

NOTTS COUNTY FOOTBALL CLUB | CLUB CHARTER 2020-21

Founded in 1862, Notts County Football Club holds a special place in the history of football as the world's oldest professional football club. This is something we are incredibly proud of as a club and it is a title we look to promote through our development and day-to-day dealings with supporters, sponsors and staff.

The club appreciates and is keen to strengthen its links with the local community, who not only support the club, but also help promote the development of the game at grassroots level and nurture the future of football on and off the pitch. Our charity arm, Notts County Foundation, is one of the very best in the country.

The Foundation is a key contact for developing relationships with the local community, working as a conduit between the club and local groups to ensure everyone in and around Nottingham has the chance to feel part of the club and can contribute to its development and progress.

Notts County are keen to build upon our reputation as one of the most progressive and innovative clubs in the National League, while also looking to further improve standards of customer service and supporter experience both on matchday and non-matchday.

The commercial team oversee all aspects of ground catering here at Meadow Lane, on matchdays and non-matchdays, while our small team of Supporter Liaison Officers (SLO) help promote and develop communication between the club and the supporters as we continue to strive for greater links to those that support the club commercially and from the stands.

The club are keen to make supporting Notts County as affordable as possible through our pricing structures, regular offers and the continued development of dialogue with supporters via our SLOs.

Our ethos is very much geared towards making history together, as everyone associated with Notts County continues to write the next chapter in the story of the world's oldest professional football club.

2. STAFF CONDUCT

The club undertakes to communicate with its customers in a courteous and helpful manner. We would appreciate details of any breach of this policy. Furthermore, the club operates an anti-discrimination policy at all levels and in every area of its work. If a customer feels they have been treated unfairly, with a lack of due respect or in a discriminatory manner, they are asked to report this to the club at their earliest convenience so the matter can be investigated and disciplinary action taken, if deemed necessary.

3. CONSULTATION AND INFORMATION

3.1. The Executive of the club will hold at least two meetings during the season, to which its officially recognised supporters' association representatives are invited to discuss significant issues relating to the club. Furthermore, the club also consults supporters on a regular basis through various official and independent bodies, including: Notts County Foundation, Notts County FC Official Supporters Association, Notts County Supporter Club, LGBT Pies, Young Pies and direct communication with season ticket holders.

3.2. In addition, supporters' views are periodically solicited via the club's official matchday programme, the issue of questionnaires and leaflets, invitation through local newspaper and radio broadcasts, occasional forums and via the SLOs, who can be contacted directly via the following information:

Alice Kelk and Ian Baggott
Tel: 0115 955 7241
Email: slo@nottscountyfc.co.uk

3.3. The club publishes its position on major policy issues via its website, matchday programme, press releases and agreed articles in the local media.

3.4. Importantly, the club corresponds by mail and email on a regular basis with various groups including season ticket holders, Young Pies members, sponsors and commercial clients in an effort to continue to develop dialogue on matters of mutual interest and concern.

3.5. The club gives the earliest possible notice of any changes and offers in respect of ticketing policy and prices and endeavours to publicise any such changes via a wide variety of means including the local media, the club's official website and various social media.

4. TICKETING

4.1 Pricing

The club continues to strive for wider access to matches by offering a broad range of ticket prices, initiatives and offers, including the opportunity for every season ticket holder to bring a friend or family member to pre-selected games free of charge.

4.2 Allocation

At least 10 per cent of tickets for each game will be made available to non-season ticket holders.

4.3 Concessions

Concessionary prices are available to junior supporters, senior citizens and the unemployed (matchday tickets only). Details of such schemes are published periodically, copies of which may be obtained from the club's ticket office. The club reserves the right to insist upon 'proof of age' in respect of reduced admission prices. In particular, access to very low rates of admission may require 'proof of age' by means of identification bearing date of birth and a current photograph. Note: For the purposes of clarification, the club has set the age of 65 as that when any person may take advantage of its senior citizen rates.

4.4 Family Groups and Junior Supporters

The club provides an area of the ground exclusively for the use of family groups and junior supporters. The area given over for this purpose is the whole of the Haydn Green Family Stand.

4.5 Disabled Spectators

The club has designated areas for disabled persons. For details contact the ticket office on 0115 955 7210.

Information regarding ground accessibility and much more can be found on the club website, here: <https://www.nottscountyfc.co.uk/fans/disabled-supporters/>

4.6 No Smoking

The club operates a no smoking policy in all stands, but we have identified designated smoking areas in the near vicinity. The Haydn Green Family Stand is very restrictive as to where supporters can smoke, but provision is made for supporters who wish to do so outside the Broken Wheelbarrow, under the supervision of a steward during the half-time interval. Any supporters attending matches are expected to abide by the policy. If they fail to do so they may be liable to ejection from the ground.

4.7 Away Matches

The club will issue tickets for away matches in the following circumstances:

- On safety grounds following advice from the Police or the host club
- Where limited availability of tickets determines that issue by Notts County will facilitate fair and efficient distribution

Where tickets are not issued for away matches, fullest information available, as supplied by the host club, will be publicised.

Please note that the host club set ticket prices for away League matches. Notts County have no input regarding this issue.

4.8 Cup Competitions

Ticket prices for cup competitions vary and will be based on the competition and stage of that competition, the nature of the opposition and other variable circumstances. However, the club endeavours to limit charges except in unusual circumstances to those charged for League games. Indeed, it is more than likely and has proven to be the case in recent years that ticket prices for cup competitions have often been below (and on occasions well below) those set for League matches. Should the availability of tickets be limited due to potential demand, full details of allocation and availability are well publicised in advance of the game.

4.9 Returns/Refunds

The club's policy on the return and distribution of unwanted tickets is as follows:

- Refunds will be considered only if the ticket is returned to the ticket office no later than 24 hours before kick-off of the match when played.
- The club will not make a refund in respect of any unwanted or unused ticket returned to the club within 24 hours prior to the match or after the match for which it has been issued.
- If a match is postponed before kick-off, tickets issued will be valid for the rearranged fixture. Alternatively, the club will refund the face value of the ticket when next the Ticket Office is open.
- If a match is abandoned after kick-off but before or at half-time, the club will issue a voucher entitling the spectator to half-price admission to the rearranged match. If a match is abandoned after half-time, the club reserves the right not to offer a refund or reduced price admission to a rearranged match.

5. ACCOMMODATING AWAY SUPPORTERS

The club abides by league regulations governing the allocation of tickets to visiting clubs. The club does not charge admission prices to supporters of a visiting club, which are higher than those charged to our own supporters for comparable accommodation. In particular our concessionary rates offered to senior citizens and junior supporters apply to supporters of a visiting club.

6. STADIUM PARKING

Supporters can reserve matchday parking at Meadow Lane, ensuring prime locations around the stadium.

Parking spaces are available for the season and details of prices can be obtained by calling 0115 952 9000. Spaces are not available on a match-by-match basis.

The club has six parking spaces allocated to its disabled supporters.

Car parking for away disabled supporters is situated in the Meadow Lane car park which is 25 meters from the Jimmy Sirrel Stand.

Home disabled supporters can request spaces in the Derek Pavis or Iremonger Road car parks strictly on a first come, first served basis. Please note – spaces in these car parks are taken up very quickly.

Applications should be made to the club on a seasonal basis but can be booked for individual matchdays at least 48 hours in advance.

Supporters are required to display a blue badge when using a parking space allocated to a disabled supporter.

The club ask supporters to recognise there is a limited number of places available and it will not be possible to accommodate everyone who has a blue badge.

Notts County Football Club's Safeguarding Policy:

The key principles of the EFL's Safeguarding Children Policy are that:

- The child's welfare is, and must always be, the paramount consideration
- All children and young people have a right to be protected from abuse regardless of their age, gender, disability, culture, language, racial origin, religious beliefs or sexual orientation
- All suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately
- Working in partnership with other organisations, children and young people and their parents or carers is essential

We acknowledge that every child or young person who plays or participates in football should be able to do so in an enjoyable and safe environment and be protected from poor practice and abuse.

Notts County recognises that this is the responsibility of every adult involved in our club.

Notts County has a role to play in safeguarding the welfare of all children and young people by protecting them from physical, sexual or emotional harm and from neglect or bullying. It is noted and accepted that the EFL's Safeguarding Children Regulation applies to everyone in football whether in a paid or voluntary capacity.
